

CELEBRATING OVER 75 YEARS OF FAMILY OWNERSHIP

RETREAT

CARAVAN PARK

A family run park by our family
for your family

www.retreatcaravanpark.co.uk

The Retreat is very much a family park, run by the same family for five generations, along with a trained team of staff members that take great pride in the park.

You will find the park situated in 17 acres of countryside, nestled in the sand dunes of the Somerset coast, and is home to a diverse range of flora and fauna.

With over 75 years of family ownership, The Retreat is proud of achieving “Gold” for all years it had participated in The David Bellamy Conservation Award and is now continuing the same ethos in the Blooming Marvellous pledge for nature campaign. The conservation of our park is extremely important to our values here at The Retreat, ensuring that the park is kept for future generations.
